Supplemental Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: Authorization for this examiner's amendment was given in a telephone interview with Cathy A. Kodroff on 1/4/06.

In the **Claims**:

Cancel claims 1-2, 4-9,11 and 13-24.

The above amendment is necessary because, in the examiner's amendment mailed 2/8/06, the examiner neglected to indicate cancellation of the non-elected claims, said cancellation being authorized in the interview of 1/4/06.

Applicants filed an amendment under 37 CFR 1.312 on 3/21/06. The amendment was necessary to make the Brief Description of Figure 1 and the specification text correspond to the actual Figure 1. Said amendment has been entered.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Guzo, Ph.D., whose telephone number is (571)
